"Constantly Hawking and Spitting"

THOMAS J. RUSHING, Esq., 2002 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for the last eight months could
not breathe through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's C. arrh kemedy, and
I am now a well man. I believe it to be the
early sore remedy for catar h now manufactured, and one has only to give it a fair trial to
experience astounding results and a permanent
cure."
